

Hi \_\_\_\_\_, I just started with a service and a business that I think is helpful to people in the community.

I would like to get your opinion:

- 1) If I texted you a link to a video can you take a look at it?
- 2) Are you able to meet with me for a few minutes this evening or tomorrow at \_\_\_\_\_ o'clock?
- 3) I am having a presentation at my home on \_\_\_\_\_. Can you attend and give me your feedback?
